## Landis+Gyr Announces Executive Departure

**Zug, 7 March 2018** – Landis+Gyr (LAND.SW), a global leader in transforming the way energy is delivered and managed, announced that Oliver Iltisberger, EVP EMEA has resigned from the company today to pursue an outside career opportunity.

Landis+Gyr has initiated a search, looking at candidates both internally and externally, for Mr. Iltisberger's replacement. He will remain in his current position for a period of time to assist in the transition.

### **About Landis+Gyr**

*Landis+Gyr is the leading global provider of integrated energy management solutions for the utility sector. Offering one of the broadest portfolios of products and services to address complex industry challenges, the company delivers comprehensive solutions for the foundation of a smarter grid, including smart metering, distribution network sensing and automation tools, load control, analytics and energy storage. Landis+Gyr operates in over 30 countries across five continents. With sales of approximately USD 1.7 billion, the company employs c. 6,000 people with the sole mission of helping the world manage energy better. More information is available at [www.landisgyr.com](http://www.landisgyr.com).*
